Winter Solstice Sacred Sound Music Festival on Zoom

Dear ONAC of NY soul family and friends,

As the holiday season approaches, there is no better way to celebrate the year's end with love, gratitude and community bonding through the vibration of music. On **December 21st (Tuesday), 7pm to 9pm EST**, the night of the Winter Solstice, more than a dozen sacred sound musicians from across the globe will come together to perform a Zoom online concert to bring the divine energy of medicine music that we all cherish into our hearts.

We are delighted to have a special host for this event. Our MC Sam Liebowitz has been a long-time member of the ONACNY family. He is also known as [The Conscious Consultant](#), radio host and author of the best-selling book, [Everyday Awakening](#).

The performers are (in alphabetical order):

[New York:](#) Bradley, Derick, Eddie 'Medicine Whispers', Holly, Wen-Chi 'Little Owl'

[Rhode Island:](#) Marco

[Toronto:](#) Michael Moon, Ann-Marie

[Los Angeles:](#) Kouros

[Taiwan:](#) Frank, Jerry, Oliver, Stephanie

During the concert we will mute the audience. You are encouraged to set up an altar, meditate, dance, play an instrument and sing with us. Together, let's co-create a sacred space to elevate collective consciousness through the magic of music!
