Celebrating Summer Solstice Sacred Sound Music Festival on Zoom

Dear ONAC of NY Spirit Family and Friends,

Each June, we gather in celebration of the Summer Solstice—the longest day and shortest night in the Northern Hemisphere. For countless generations, this sacred turning point has been honored as a time of illumination, vitality, and gratitude for the light that nourishes all life.

On Friday, June 20th, from 7:00 PM to 9:00 PM EST, ONACNY warmly invites you to join us for a two-hour Earth Medicine Music live concert on Zoom, featuring 14 gifted sacred sound musicians across the globe. Together, we will celebrate the radiant power of the sun and the fullness of life at its peak.

This is a free community offering—please feel free to share with loved ones. All are welcome!

During the concert, the audience will be muted, but you are warmly encouraged to create your own sacred space at home—set up an altar, meditate, dance, play an instrument, or sing along with us. This is a powerful opportunity to co-create a field of healing and intention through the magic of music, allowing our inner light to shine as we raise the collective consciousness and welcome a new Earth together.

The performers are (in alphabetical order):

New York: *Andrei, Bradley, Derick, Eddie, Holly, Kourosh, Wen-Chi 'Little Owl'*

Los Angeles: *Joshua, Scott*

Taiwan: *Frank, Hsu Yu Ting, Jerry, Oliver, Stephanie*
